

## B4 Food & Wine Bar

### Our Philosophy.

One of the very nicest things  
about life is the way we must  
regularly stop whatever it is we are  
doing and devote our attention to  
eating.

~ Luciano Pavorotti

### How To Order.

We make it easy.

Once you have decided, whether  
its from the menu or our display  
cabinet, all you need to do is  
place your order at the counter  
and we'll give you a table number  
and bring your food to you.
